

SPIRIT OF '76

The first part of the paper discusses the importance of understanding the local context in which a project is implemented. This includes a thorough understanding of the community's needs, values, and beliefs. It is essential to engage with the community from the very beginning, ensuring that their voices are heard and their input is valued. This process of community engagement is not a one-time event but a continuous one that evolves as the project progresses.

The second part of the paper explores the challenges that often arise in community-based projects. These challenges can range from a lack of resources to a lack of trust between the project team and the community. It is important to recognize these challenges early on and to develop strategies to address them. For example, building trust can be achieved through transparency, honesty, and a willingness to listen to the community's concerns.

The third part of the paper discusses the importance of having a clear vision and a well-defined plan. This vision should be based on the community's needs and should be achievable within the available resources. A detailed plan should outline the steps that need to be taken to achieve the vision, including a timeline and a budget. It is also important to have a system in place to monitor progress and to make adjustments as needed.

The fourth part of the paper discusses the importance of having a strong leadership team. This team should be composed of individuals who are committed to the project and who have the skills and experience to lead the community. It is important to have a clear division of labor and to ensure that everyone is working towards the same goal.

The fifth part of the paper discusses the importance of having a strong communication system. This system should ensure that everyone is kept up-to-date on the progress of the project and that any issues are addressed promptly. It is important to use a variety of communication methods, including face-to-face meetings, written reports, and social media.

The sixth part of the paper discusses the importance of having a strong evaluation system. This system should be used to assess the impact of the project and to identify areas for improvement. It is important to involve the community in the evaluation process, as they are the ones who will be most affected by the project's outcomes.

The seventh part of the paper discusses the importance of having a strong sustainability plan. This plan should ensure that the project's outcomes are maintained over the long term. It is important to identify the resources that will be needed to maintain the project and to develop strategies to ensure that these resources are available.

The eighth part of the paper discusses the importance of having a strong partnership with other organizations. This partnership can provide additional resources and expertise that can be used to enhance the project. It is important to have a clear understanding of the roles and responsibilities of each organization and to ensure that everyone is working towards the same goal.

The ninth part of the paper discusses the importance of having a strong cultural understanding. This understanding is essential for ensuring that the project is culturally appropriate and that it respects the community's values and beliefs. It is important to take the time to learn about the community's culture and to incorporate this knowledge into the project's design and implementation.

The tenth part of the paper discusses the importance of having a strong ethical framework. This framework should guide the project's decisions and ensure that they are made in a fair and equitable manner. It is important to have a clear understanding of the ethical principles that will guide the project and to ensure that these principles are consistently applied.

Equality Is Goal Of Title IX

Chefs Class for boys only is out. Title IX of the Education Amendments of 1972, passed by Congress, was designed "to eliminate discrimination on the basis of sex in any education program or activity receiving federal financial assistance."

All courses - including home economics, vocational arts, industrial arts, health, business, and PE classes - must be coeducational, and counseling and aptitude tests must be non-discriminatory. The exceptions are PE participation in "body contact" sports such as wrestling and football and portions of health classes dealing with human sexuality. Some parts of the law are effective now; schools are given three years to comply with other parts. Fair treatment is still a goal in America.

A New Year Brings A New Look

During the early fall of 1975 work was completed on the football field, the all-weather track, and a building on the southwest corner of the field for the storage of outdoor equipment, garage space, and restrooms. Three offices, one on each floor, were built in the south window-well, and the older restrooms were remodeled. Also new windows and blinds in the 1926 section improved the appearance of the school, both inside and out.

Smaller changes, but important ones for students, included the addition of ping pong tables in the Commons and in Room 226 the painting of colorful stripes and murals in rooms 156, 226, and 232 by students in the Title I Summer Program under the direction of Ms. Svec, and the placement, by Student Council, of a juke box in the Commons.

Basic Skills

The Basic Skills program, which includes courses in all required areas, offers on a voluntary basis an alternate curriculum. Pictured below from left to right are Larry McNamara, Dept. Head, Linda Adams, Sheryl Giszczak, Deborah Hladilek, Pamela Katsion, Doyle Potter, who taught the first semester, and David Ronallo, who taught the second semester. The following teachers are pictured with other departments: Loren Getz, Wayne Kosek, Gary Lunak, Paul Netzel, and Mary Rash. Also not pictured is Alice Zoda, teacher aide.

Bilingual Program Continues Growing

Many new things have been added to the Bilingual Program this year: a Bi Math class and an English class for beginning students, which is taught twice a day. Also the department added an additional Spanish course, Spanish III. The foremost goals are to have a command of two languages and an understanding of Mexican American culture. A few Vietnamese students are also participating in the program.

Arts And Crafts Is A Big Hit

The art department showed a most dramatic interest in Arts and Crafts, which is taught seven periods a day. This year's Ad craft Competition was won by Paula Bloxain whose ad was run by the Wheaton Journal. The DuPage Conference Art Show was on display February 23 through March 5. Consumer Education, Required Course

Business is one of the strongest and most influential social institutions in American society today. The Business Education Department strives to meet the needs of each of the students, whether it is in the area of vocational training or for personal use. The most recent addition to the business curriculum is Consumer Education which is required for graduation. Personal Typing continues to be one of the most popular courses.

Words Have Power

Writing an essay, reading a classic, giving a speech, creating a poem, producing a skit, learning to punctuate, analyzing an editorial, acquiring new vocabulary words, doing research — all are activities a We-Go student might experience in an English class. The English program is the largest and most diverse program in the school, possibly because all students are required to complete six semesters in this area.

IRO: Inter-Related Occupation

Inter-Related Occupation, a vocational education program, is divided into two phases: classroom and work experience. The class meets daily in the morning; students receive on-the-job training at a selected place of employment in the afternoon. The student is paid a wage comparable to what any trainee would receive. VICA (p. 122) is an integral part of this program. The teacher is Mr. James Garbe, and the Vocational Coordinator is Mr. Larry McNamara.

Vocal Music

After getting off to an unusually early start, We Go's choral groups maintained a busy pace throughout the year. Beginning with the first Fall Concert ever given, Oct. 28, the season extended through Baccalaureate in June. The choirs and ensembles sang for four other major events: Christmas Vespers, a Winter Concert, a Spring Choral Concert, and a Senior Concert. This year a swing choir was formed, which brought the number of major vocal groups to six. Mr. Ronald Benner was the director

Crops, Chemicals, And Kinetic Theories

In this age of scientific advancement, We-Go students had many opportunities for study. Once again, Horticulture (Applied Biology) class was the most popular, being taught seven periods a day. The Horticulture classes grew a variety of crops, including mums and poinsettias which were sold during the fall and winter. The largest crop, the spring bedding plants, was sold in May. Bio Chemistry was taught this year for the first time in three years. In Bio Chemistry the students studied chemistry as related to life science.

The Spirit of '76! The Battle of Bunker Hill! The Shot Heard 'Round the World! In keeping with America's 200th birthday, three American History classes declared their independence by going on independent study. These classes were American History, 1603-1877; American History, 1877-Present; and Foreign Policy, all taught by Mr. Strecker. Consumer Education also gave many students the option of individualized study. Sociology was the most popular course. Facts, Food, Fun: Language Night

Language Night, an annual affair promoting universal brotherhood and communication, was held by the language clubs on Oct. 2, 1975. This year's festivities includes a parable presented by French Club, a German Club presentation depicting the use of German syllables in our modern vocabulary, a council of gods held by Spanish Club, and a lengthy parody of Roman myths presented by Latin Club.

Refreshments in the cafeteria followed the stage presentation. Each club provided food representative of its language.

This year's all-school play, a lively adaptation of the well known children's fairy tale, "Hansel and Gretel," was performed for several elementary schools in the area.

Many of the roles were double-cast, each cast with equal status. In the familiar lead role of Gretel were Donna Modica and Maria Petragallo, playing Hansel were Terry Ferro and Dan Robbins. The witch was Cindy Allen. Dick Waterhouse was the father, and Beth Wampole and Lin Schmitt played the mother. Debbie Anderson and Chris Peterson shared the character of Kiko. The play was directed by Ms. Cheri Waldorf and student Sharon Smith. Despite a young cast a fine show was given, and all participants received invaluable experience.

Maria Petragallo, as Gretel, makes her point to Hansel, played by Terry Ferro.

Dan Robbins, Dick Waterhouse, Maria Petragallo, and Lin Schmitt.

Dan Robbins as Hansel.

Cindy Allen, witch, and Chris Peterson, Kiko.

Minstrels: Claire Gregory, Beth Kennedy, and Coral Schieve.

The father, Dick Waterhouse, considers Gretel's offer.

Thespian One-Acts

Comedy and mystery are both popular theater themes, and the Thespian One-Acts utilized both. "Keep Smiling" presented a hilarious look at a tie salesman's first day on the job. In "The Monkey's Paw" an English family was terrorized by an mysterious relic and its legend. Beth Wampole directed "The Monkey's Paw," and Sharon Smith, "Keep Smiling."

Winifred Thomassen 33 Years At We-Go!

Miss Winifred Thomassen retired from the education field in June after completing 35 years of work, 33 of them at WCCHS. In 1943 she began here as a business teacher. Later she became dean of girls, and in 1971, Administrative Assistant. No one who worked with her will forget her dedication, her competence, her efficiency, and her spirit.

The WCCHS Teachers' Association, the school board, and the community paid tribute to "Wini" Thomassen and Frances McGawn at a tea in the learning center after Baccalaureate.

A good bye hug for "Wini" from Dianne DeWolfe

How's retirement, Mr. Holcombe?

Foreign Language Department Head Frances McGawn retired in June after completing 19 years in education, 14 of them at West Chicago. As well as being honored by the Teachers' Association and the school board, Mrs. McGawn was guest of honor at a surprise farewell party organized by French students for their respected and considerate teacher. ☆ Of Thee I Sing ☆

THE MUSICAL "OF THEE I SING" WAS PRESENTED AT THE NEW YORK CITY PLAYERS' BOX OFFICE, 100 WEST 42ND STREET, NEW YORK, N. Y., ON SATURDAY, FEBRUARY 1, 1936.

By Ira Gershwin. Under the direction of Mr. Chas. Waldorf and Mr. Gene Haney an excellent show was presented.

THE MUSICAL "OF THEE I SING" WAS PRESENTED AT THE NEW YORK CITY PLAYERS' BOX OFFICE, 100 WEST 42ND STREET, NEW YORK, N. Y., ON SATURDAY, FEBRUARY 1, 1936.

The year is 1924, and the National Committee must come up with a strategy to bolster their party's image. In a flash of inspiration their leader creates a one-word platform - LOVE! However, their unfortunate candidate is betrothed to a Southern belle although he loves a sweet and simple secretary who makes corn muffins. He marries the secretary, Mary Turner; the belle, Diana Devereaux, causes international repercussions. Eventually all ends well, for when the President cannot fulfill his duties, his obligations are assumed by - the Vice-President!

Production staff included Ms. Gwen Reno, artistic director, Mr. John Walton, lighting and special effects, Kem Dailey, student director, Doug Koltz, stage manager, Victor Alcazar, house manager, Debbie Anderson and Jenny Havlin, choreographers

Senior Class Gift

Sixty-two seniors came to the school on Sunday afternoon, May 30, to donate a pint of blood to the Red Cross. Eleven others volunteered as typists and nurses' aides. This unusual class gift will make juniors and seniors and their families eligible for free blood donations during the year should the need arise

44 In Honor Society

New members were initiated into the National Honor Society at a tea held in their honor on Nov. 20, 1975, at 8 p.m. in the learning center. All seniors with a B average for six semesters are considered for membership in the society. Faculty members who have taught at WCCHS at least one year vote on the candidates, basing their choices on the following qualities: leadership, scholarship, character, and service. A teacher must have had direct contact with a student, such as in a class, club, or sport, in order to vote for that student. A maximum of fifteen per cent of the class can be chosen.

Baccalaureate

Baccalaureate-Honors Convocation was held in Bishop Gym on June 7, 1976. Special music was provided by the orchestra and concert choir. The Rev. Larry Owen, minister of the Church of Christ, urged graduates to "Reach for the Stars." Valedictorian Richard Gartner recognized seniors who had won scholarships, and Christine Murnane named those who had been accepted into the National Honor Society (p. 77). Teachers and administrators honored senior students for their various academic, athletic, musical, or artistic accomplishments. Robert North, Pres.-Elect of the class of '77, and Timothy Sampson, 1976-77 Pres. of Student Council, assisted.

Graduation

While the Concert Band played "Pomp and Circumstance" the class of '76 marched into Bishop Gymnasium on June 9. The invocation was given by the Rev. Larry Owen. Class President Steve Kovac presented the class gift (p. 53), and Valedictorian Richard Gartner introduced the speaker - Dr. Douglas J. Culver, Pastor of the Wheaton Evangelical Free Church. Dr. Jerald J Saimon, Superintendent, presented the class, and Mr. Robert Westrom, President of the Board of Education presented the diplomas

Small Team Tries Hard

This year's cross country team decreased in size, but our boys struck it out throughout the season, and they deserve to be commended. Co-captains were seniors Don Mueller and Tom Malia. Don Mueller was chosen most valuable team member.

A conference championship team was envisioned by the 1975 sophomore football team, but as the season progressed it was necessary to rebuild the team's offensive line due to injury and transfer. The team showed steady improvement throughout the remainder of the season. Everyone agrees that this year's team will move up to the varsity next year and help carry on the winning, fighting spirit that our school is so proud of.

Soccer Kicks Off A New Year

In its first full year of varsity soccer competition, the team finished with a respectable record of 5 wins, 7 losses, and 2 ties. The booters started slowly but came on strong in the middle of the season. Raphael Chavez established a team record of 13 goals scored in one game and was elected honorary Co-Captain. Phil Gruca, senior goalkeeper, was elected Co-Captain and Co-Most Valuable Player, along with Rojelio Aguilar. Peter Nelson, a junior defensive back, was selected as the Most Improved Player on the squad.

The Frosh-Soph soccer team played an abbreviated schedule ending with a 1-8 season record. Although it was a losing record, the players gained much valuable playing experience that will help them in the future.

Phil Gruca, We Go varsity goalie, defends the goal.

Boys' Gymnastics Improves

It was only the second season for We-Go's Boys' Gymnastics Team. Even though the team finished eighth in the conference, they showed good improvement, and Coach Sparkman has hopes for a strong team in the future. High scorer was Ken Novosad, and Mike Willes won fifth place at the freshman tournament in which eight schools participated. The co-captains were Bernie Morrissey and Gary Overbay.

First Place In Conference

The girls varsity basketball team had a great season, finishing first in the new conference, with a conference record of 6-1 and an overall record of 11-5. Co Captains were Chris Miltner and Rae Murray. Since the Varsity team will lose only four seniors, with the majority of the team being sophomores, prospects for the future look good.

Junior Varsity finished 4-4 in the conference, 7-7 overall. Co Captains were Leslie Gunderson and Kaleen Egeland. Both teams were coached by Ms. LaVora Singleton.

IRO-VICA

IRO VICA (Interrelated Occupations-Vocational and Industrial Clubs of America) activities included a scavenger hunt, a bowling party, a visit to Old Chicago, and a trip to the state convention in Springfield, where the club project (the symbol above) won a third-place trophy. At the Employers' Appreciation Banquet Ed Farrell was named Student of the Year.

Bridging The Gap

The Bridge, which appears every two or three weeks, aims to publish news of upcoming events, to review some of the more interesting happenings, and to comment on school life and policy. The staff welcomes students who want to work on the paper even though they are not in journalism class and seeks comments from others on ways to better life at We-Go. Staff members enjoyed field trips to the Sun-Times, Oriental Institute, Chinatown, and Fermilab.

Checkmate

Chess Club met once a week after school. In the meet at Glenbard West they suffered a 8½-16½ loss, at Wheaton College, a 1-6 loss, but against Glenbard South the team won 18½-6½. The team finished seventh out of twelve in the district meet. Officers were Tim Sampson, Pres.; Scott Walters, Vice-Pres.; Mike Olin, Treas.; Rick Gorvett, Sec. Club advisor was Ms. Deborah Hladilek.

Pep-Club

Pep Club is probably one of the busiest organizations at We Go. Beginning when school starts club members work on the coronation and the blue and white balloons that are let off for Homecoming. The club also supplies food to players, decorates the lockers of our Wildcats, and takes charge of pep assemblies. In late February they help the Pom-Pom squad with Carnation Day, and at the end of the year they sponsor Talent Night. Perhaps the club's most important contribution is promoting pep, spirit, and enthusiasm in our school.

Spass! Chouette! Ludus! Diviérte!

The Language Clubs have worked together to have a year filled with activities. In October Language Night was presented. Each club gave a skit and sold ethnic food. The clubs also participated in Homecoming, with French Club winning in the Club-Float category. At Christmas club members had a Christmas party and then caroled traditional European songs. French Club participated in a class exchange with a French class in France. Spanish Club members had Chilean pen-pals, German Club had a German Table, and Latin Club gave their annual Latin Banquet.

Exchange Student Program

"Walk together, talk together all ye people of the earth," is the motto of AFS, the American Field Service, part of the Exchange Student Program at We-Go. ESP is a committee of Student Council which raises money to send We-Go students abroad and to bring foreign students here.

Our AFS student was Shirley Mackie from Barnet, England, and our Rotary student was Marcello Campos from Brazil. We also hosted four Open Door students for a three month stay: Eurico Mello from Brazil, Pedro Cortes, Marisa Feuntes and German Claro, all from Chile. We also sent three We-Go students abroad: Beth Wampole to Chile, Lin Schmult to Switzerland, and Becky Brauer to Swaziland, South Africa. Mr. James Garbe was the ESP Advisor

Student Council President Bob North

Student Council On The Move

Advisor Jerry Wicks and Marvel Sampson

Student Council began the year by installing a jukebox in the cafeteria for the use of We-Go students. Homecoming was a success because of the planning and preparation of the Activities Committee. "I Hate Boys Day" was sponsored by Student Council, as were dances, movies, and the NHS tea. The Mr. Wildcat Contest was presented to raise money for the Exchange Student Program (ESP), a committee of Student Council. One of the Council's future goals is a late bus for students participating in extra-curricular activities.

The 1975-76 Executive Board consisted of Bob North, President; Kern Daily, Vice President; Linda Nichols, Secretary; Tim Sampson, Treasurer; Mike Rennels, Publicity Chairman; Marvel Sampson, ESP Chairman; Lisa Gould, Student Activities Chairman, and Peter Lo Destro, Late Bus Chairman. Co-Advisors were Mr. Wicks and Miss Hayes.

Act Well Your Part

The International Thespian Society, an organization dedicated to promoting excellence in theater in the secondary schools, is alive and active at WCCHS. With 25 active members taking part in productions this year, and 11 members joining the ranks, total membership numbered 36

Activities this year included a very successful car wash in the fall, participation in "Hansel and Gretel," the Thespian one-acts, the musical "Of Thee I Sing," and the initiation ceremony in late spring. Preceding the initiation, a "Kangaroo Court" was presided over by Pres. Becky Brauer. Members and initiates exchanged citations for such offenses as improper display of Thespian button, pollution of the aesthetic environment, and failure to resist an offer. Sentences for the guilty included recitation of the Thespian pledge, clean-up duty, or being someone's slave for a day

Speech Team

The Speech Team went to a workshop and participated in eight tournaments. Lisa Black, radio speaker, and Walter Verdooren and Richard Ice, dramatic duet, placed third in the district finals. Londa Brown took fourth in verse, and Chris Peterson placed fifth in prose reading. The team was coached by Ms. Erica Crohn

Challenge

Front Kurt Liebezeit, Cindy Plomb, Mary Kay Haag Middle row Sue Linville, Wendy Hlinka, Robin Gustafson, Debbie Walker Back Advisor Virginia Fairbank

The Challenge staff wanted to create a book that would cover the fun, the work, the joy, the humor - even the sorrow of one school year. In this bicentennial year we also wanted to recall some of the basic beliefs that gave our forefathers determination and courage - the spirit of '76. We hope we can meet the challenge of life with this same spirit.

The first of these is the fact that the
 government has been unable to
 maintain a stable currency. This
 has led to a loss of confidence
 in the government and a
 consequent loss of support
 from the people. The second
 is the fact that the government
 has been unable to maintain
 a stable economy. This has
 led to a loss of confidence
 in the government and a
 consequent loss of support
 from the people. The third
 is the fact that the government
 has been unable to maintain
 a stable society. This has
 led to a loss of confidence
 in the government and a
 consequent loss of support
 from the people.
